A Message from the Nursery Manager

Hope you all had a fabulous Christmas and New Year. Thank you for the gifts and cards we received, it was very kind.

We are now using an online learning journey called Kinderly, this allows us to send photos, observations, wow moments, invoices, monthly newsletters so much more. If you are needing some help setting this up, then please message me.

January Themes

We will be looking at Pets this month, we would love to have some photos of your pets if you have any for the children to look at. If you can bring in your pet to show the children, that would be amazing. Please message if you are able to do this, then we can do a risk assessment and plan some extension activities for the children based round that animal.

Welcome

We would like to welcome **Katie** who has now joined the team and is level 2 qualified and about to embark on her level 3.

We would also like to welcome **Brooke, Callie, Carter, Elayna, Harley and Jacob**. We hope you all feel very settled soon.

News

We have just secured an allotment plot at the local allotment site. We are going to be arranging a work party to prepare it for the children. This will be so beneficial for the children to be able to grow some fruits and vegetables for snack. If this is something you feel you would be able to help with then please let us know and we will arrange a 'doodle poll' to find a suitable day and time.

From next month we will be having a getting to know staff section in newsletter

Things we would like
